Subject: Re: I tried!

The latter, I believe, although you raise an interesting questions -- whether, on Eisenhower matters, there is someone you could go to directly and thus bypass Steve. Maybe we should ask him that question -- in the context of trying to ease his burdens -- and see what he says.

Subject: I tried! I was out at NARA II earlier today and asked Steve about your documents...he was heading in to some meeting downtown and couldn't get them for me. Apparently, he has an access problem of some sort in physically getting to where these are kept. He apologizes, and so do I.
