**Subject:** Re: Gaeton Fonzi  
I just spoke with Fonzi - I think I know what he's researching. I'll tell you when I see you.

Anne -- needless to say, I've not had any contact with Fonzi, but I know that Steve Tilley has and you may want to touch base with Steve and debrief him. Steve says Fonzi called him and had some very document-specific questions for him, leading Steve to believe that Fonzi might be gearing up for some kind of assassination-related writing/research effort. I think Fonzi's call to Steve (the one I heard about, anyway) took place a month or two ago.
