Zimmerman/ARRBcc: From: Phil Golrick/ARRB Date: 09/25/95 09:36:43 AM Subject: Computer Disk
ProjectAs you'll recall, I recently sent an e-mail about the apparent loss of data from the Subject fields in FBI
RIFs. Chet has been working on this problem and has concluded that the only way to restore this data is to re-
copy all of the floppy disks provided by the FBI into our database. He has asked for a volunteer to perform this
chore on Wednesday, Sept. 25. It will probably take most of the day. Chet will get you all set up beforehand.
Body: I will throw in a free lunch. Any takers?
