Subject: Re: Purchasing Fed. Reg.

I strongly believe that we should not purchase the FR. It should be sufficient for us to obtain copies of our Regs from the DOJ library and it will constitute a significant cost savings.

Subject: Purchasing Fed. Reg. Do we want to continue to purchase the Federal Register for each date ARRB publishes a Formal Determination or a Regulation? I ask because of the cost of the Federal Register. From what I have seen (and the Federal Registers are kept in the file cabinet in front of my desk) no one in the office reads the actual Register. What is important for many staff members is having a photocopy of what ARRB has published in the Register. I have checked with our local library at 9th and G Street, N.W. and the Library of Congress, both receive the Federal Register. I would be glad to go to the library and make a copy of what we have published, therefore, eliminating the cost of purchasing the entire Register. Please let me know what you have decided because it is time once again for me to obtain a couple of ARRB items that have recently been published.
