Subject:	Re: ARRB Tracking Chart/Access to R-Drive
Body:	R: is a READ only directory of Jeremy's stuff. To move files around you could use the email system or the T:To:Jeremy Gunn/ARRB, Chet Rhodes/ARRBcc: From:Joseph Freeman/ARRB Date:10/06/95 04:54:02 PMSubject:ARRB Tracking Chart/Access to R-DriveJeremy -- you suspicions were correct: while the computer will let me enter/type changes on to the Tracking Chart in the R-Drive, it will not let me save the changes.Two options: 1) authorize Chet to make the necessary changes in the system to allow me to make the changes directly on the R-Drive, or, 2) I could copy the R-Drive version to my E-Drive, make the changes, copy my updated version back onto the R-Drive and then you could delete the old one, ad infinitum.Let me know!
