Subject:	Re: Agency Tracking Database
Body:	Assuming you mean Agency Tracking Chart in the r:\ drive, I've got it. My apologies for entering the 10/5 items and forgetting the 10/6 item. I will get with Phil and Mary to determine which Requests we are still awaiting responses to and then enter those also. If there is anything else just let me know.To:Noelle Gray/ARRBcc: From:Jeremy Gunn/ARRB Date:10/10/95 12:05:46 PMSubject:Agency Tracking DatabasePlease make sure to add all relevant entries to the Agency Tracking Database. Whenever we make a request to an Agency, the request should be entered. For example, the 10/6/95 request FBI-9 should be on the list -- along with all other FBI requests that have not been answered.
