Subject: Re: ARRB Tracking File/filing questions

Body: 1. Marvin is sufficient. Make sure Pitzer is identified in the subject field.2. Identify the source by name, but there is no need to create a file. Just make reference to the Board transcript.To:Jeremy Gunn/ARRBcc: From:Joseph Freeman/ARRB   Date:10/11/95 11:24:06 AMSubject:ARRB Tracking File/filing questions1) the Col. Marvin letter you gave me today (re: Pitzer mysterious death): the Tracking File files are organized alphabetically by correspondent, thus I've filed this under "Marvin". Do you want me to copy this material for Noelle so she can start a separate subject file under "Pitzer"?2) for issues raised in testimony at Board hearings: they are being placed on the chart alphabetically by query author -- do you want an actual file folder for each one, with a copy of the relevant page(s) from the hearing transcript, in the hardcopy file? I presume yes, but wanted to ask. Thanks.
