Subject: Re: your project

Body: O.K., I will. If Boeing answers my questions, which may be a big "if", I will be able to either confirm or disregard a theory proposed by author Craig Roberts. He claims that Boeing never did answer a similar letter which he wrote two years ago. (I am asking them more questions than he did, including some questions which will confirm or deny some assumptions in his book for which he provided no evidence.)Related subject...my goal today is to publish my Air Force One Tapes memo by day's end. You and Anne will get copies.
