That is much better! We can fit that easily. We have 90 shelves at 3 feet in length = 270 linear feet.

Subject: HSCA I would estimate that the HSCA collection in the Legislative Vault at Archives I represents just under 300 linear feet -- approx. 65 3 ft. shelves. Mas o Menos. This does not include the boxes holding the index cards, copies of which we already have.
