Steve Tilley has graciously agreed to give a presentation to the ARRB staff of some of the more well-known artifacts. So as not to overwhelm the shuttle or Archives II, we will be sending two groups out there on Friday, October 27. The first group will take the 9:00 shuttle for a 10:00 presentation. The second group will take the 1:00 shuttle for a 2:00 presentation. These presentations are for staff that have not already seen the artifacts. I will put a sign up sheet on my door. I need to send the list to Steve on Thursday, so please sign up for one of the times by noon on Thursday. (Each group should have approximately 10 people.) See me if you can't make either of these times.
