Thanks. To: Jeremy Gunn/ARRBcc: From: Anne Buttimer/ARRBDate: 10/23/95 11:43:45 AMSubject: Re: Miami
I understand through an intermediary that Smith agreed to speak with me some months ago. I don't know the current status of his availability. I know where he is. I understand through a different third party that Veciana is in Miami and would probably speak with a member of the staff. I have a business address for him.

I am likely to be in Miami on or about December 4 and 5. In order to make the best use of my time and to avoid unnecessary expenses, I would appreciate suggestions that you might have regarding people with whom I might meet or records that should be inspected. Two of the most important candidates are Sergio Arcacha Smith and Antonio Veciana. Anne--do you know anything about their availability? Does anyone have anything else that should be added to the agenda? As most of you know, I personally do not favor a Board meeting in Miami in the near (and maybe long-term) future. Nevertheless, if such a meeting is being considered, this might be an opportunity to check out possible sites. Any thoughts?
