Subject: Re: Winston Lawson
Thanks for your note. I noticed that several people mentioned Lawson's actions when I read the HSCA report on the motorcade. I'll show you Lawson's response when I come across it.

Check out pages 277-288 of Deep Politics...disturbing items about Winston Lawson, in light of the Vince Palamara allegations. In fact, the whole chapter about the connections between Army Intelligence and the Dallas police department is disturbing, in light of both (a) control of the motorcade route, and (b) Ruby's access to the police department offices on 22-23-24 Nov. '63.
