I have no problem with you asking Cunningham for assistance with addresses and phone numbers. To: David Marwell/ARRB, Dennis Quinn/ARRBcc: From: Anne Buttimer/ARRB Date: 10/31/95 05:29:12 PM  
Subject: Kathleen Cunningham  
She faxed me the addresses for seven HSCA medical consultants who I didn't have addresses for previously. She also wrote " Please do not hesitate in the least to come to me for information. .... I also have a lot of information on HSCA staff.... David - FINCEN has been very slow to provide addresses/telephone numbers for HSCA staff (Gum Shoe issue 23). Cunningham might be a good source of this information but I wanted your authorization before I write and ask for information. Dennis - After we spoke about her offer last week and your interactions with her at COPA I'd like your thoughts on the advisability of using her as a source of information.
