Subject: Re: Lyon Garrison
I want to stay on top of these matters and follow through as you instruct.1) What steps do you want me to take at this time to get the rest of Lyon Garrison's records?2) What steps do you want me to take to get the Metropolitan Crime Commission of New Orleans records that Warren DeBrueys is holding?To:David Marwell/ARRB, Tom Samoluk/ARRBcc:From:Anne Buttimer/ARRB Date:10/26/95 11:14:01
AMSubject:Lyon GarrisonI just sent Lyon a letter to acknowledge the two files he gave me on 10/4 and to nudge him to send the others (his sister Virginia actually has them.) I think Tom is right when he speculated that Lyon isn't going to donate anything else until he gets the photocopies of the first donation. Is there anything we can do to get the copies to him, or to assure him he will get the copies eventually and should donate the rest of the records now?
