Subject: Re: NSA

Kermit:I'm very sorry I didn't get back to you sooner. I was at the JFK library during the last two days and today we have had several emergencies.David and I went out to NSA last week to talk with their Deputy General Counsel. He is now actively involved in the matter and we look forward to a much better interaction with the Agency. He suggested that the Board be brought out to NSA to have a full-scale briefing and show. That is now tentatively scheduled for the January 23-24 period. David and I think that it would be appropriate for the Board to review and decide on the NSA postponements after that trip. I think that it might be best for you, me, and probably Col. Wray to go back and talk in depth with specific people after that Board meeting. What do you think?Your proposed December date does not, in any case, work for me in terms of going to NSA. It certainly would be fine for reviewing NSA records etc. in the office.I saw pictures of you cold front passing over Ohio on its way to DC. Try to hold it out there a little longer.Best, JeremyTo:Jeremy_gunn @ jfk-arrrb.gov @ Internetcc:Barryz @ HUMANITIES1.COHUMS.OHIO-STATE.EDU @ Internet (bcc: Jeremy Gunn/ARRB)From:Kermith @ HUMANITIES1.COHUMS.OHIO-STATE.EDU @ Internet @ WORLDCOM
Date:11/02/95 08:32:19 AM CSTSubject:NSA Jeremy, greetings from Columbus. I've been through my schedule and find that the best day for me would be December 11, the day before our December board meeting. I could come on Sunday, the 10th, and work all day with you and others on the 11th. Unfortunately, I just do not have another free day between now and then. I am having an action filled end of the year. Give me your thoughts on whether this date would work for you. I know you would like to do it sooner, but I just can't find the time. Cheers, Kermit
