The format packet I placed in your IN box is what I prepared on Friday. Is this acceptable?

Could you select a two-page memo from the files that will serve as our format model? Let's take that memo and write comments at appropriate places -- such as "MEMORANDUM is 14-pitch"; do not indent paragraphs; double space between paragraphs; sign your name to final; deliver original to Noelle and copy to Jeremy; include file number; include document address; etc.
