Thanks, but I don't think it's necessary.

I called directory assistance. They told me his number is unpublished. I was going to ask FINCEN if they could find anything on him but they just shut down. Sorry. If this is crucial I have a private sector investigator with excellent computer database resources who could work on this. It would cost about \$50.00 for her to make an initial inquiry. Let me know if you want her to look at this.
