Subject: "Substitute Language" field on postponement form
Relative to the HSCA payroll certification forms processed by the Board at this morning's meeting: no doubt it was my fault for not prompting them, but I don't recall the Board's motion/vote referencing anything about substitute language ("SSN") for the redacted Social Security numbers. Can this be assumed, or should I leave this field blank on the postponement form? As an aside, I was genuinely surprised to find that I was actually (and no doubt obviously) nervous during my absurdly routine "presentation" this morning. I ascribe my rattled state to the fact that -- despite your assurances -- I was forced to use the viewer without having practiced on it beforehand!.....next time I'll be ready.
