Re: MuchmoreDescription of the Call
Date: 11/15/95Subject: Attempt To Confirm 11/17/95 Authentication Of 8mm Muchmore ORSK At Archives II
Summary of the Call: I called Alan Lewis of NARA's Motion Picture Branch today regarding the authentication of the 8mm Muchmore ORSK film housed at Archives II. Lewis's voice-mail said he was out of the office today due to the federal government shut down. I left a message which said we should touch base with each other on 11/16/95 to see if the procedure is still set for 11/17/95. I will contact Steven Tilley on 11/16/95 re: the original accession file for the Muchmore material which Tilley says is in his possession to insure its availability during my visit.
