Subject: Re: next Monday - paycheck

Let's try option #1, hopefully the mails will be timely. Please do the same for the trip reimbursement check if it arrives early next week (Monday or Tuesday.) Otherwise, I'll get it when I return from A.L. Thank

you.

Anne--We are not able to fedex your paycheck to you at government expense. However, there are a few options for you to consider: 1) I could U.S. mail the check to you; 2) I could mail the check with a deposit slip directly to your bank for you; or 3) you could leave a check made out to fedex for the amount of a personal fedex and I could send it to you that way. I can call fedex and get the cost of this for you if you want--I think it will be about \$10. I will be happy to help you in anyway to get this done so let me know if one of those options sounds good to you or if you have another suggestion. I will be on A.L. next week. Will you please Fed Ex my paycheck to me at this address: Anne Buttimer/c/o George Buttimer 654 North Street - Sunny Rock Farm Walpole, MA 02081 508/668-9537 or 508/668-3448
Also - I'm still waiting for my travel reimbursement check from the last trip. If that arrives next week please send it to me via the same method (I already have the credit card bill from the trip and want to pay it.) Thanks!!
