I am a math and science teacher at Brehm Preparatory School. In addition to our regular content classes, one of the elective classes concerns a research class about the kennedy assassination. Over the past year we have made 2 trips to Dallas as well as to Notre Dame to meet with Robert Blakey. Both have been very informative. As a part of our work we are trying to set up ongoing correspondences with other researchers and schools with similar interests. We have also contacted the Records Rev Board and are on their mailing list. I am confused about how to actually get copies of the material that has been released. Does all of that come out of the National Archeives or does the ARRB distribute copies.It is good to be in touch with an actual researcher. Keep up the good work.Thanks,Paul Kosuthprkosuth@prairienet.orgc/o Brehm Preparatory School1245 E.
