Subject: Re: your new SCD
I know where I got mixed up on the two hour difference. Based on my calculations I'd have started to earn 6 hours p\p effective 6/10/95. If the actual date is 6/12/95 it may mean I came in part way through a pay period and lost two hours that way. In terms of how to handle the 4 hour shortfall - if David thinks it is appropriate to grant me 4 hours of compensatory time I would appreciate it. If that is not an option let me know and I will request 4 hours of unpaid leave.

your SCD has finally been changed to 6/12/92. Here is how I see your leave situation, let me know if you come up with something different:
DeliveryPriority: Present balance 24
DeliveryReport: hours as of 11/25
Owed to you 22 hours (11 pay periods at 2 hours/pp)
ReturnReceipt: Future earnings 8 hours
Total
hours 52 hours
You are requesting a total of 56 hours this pay period, leaving you with a negative balance of 4 hours (if I remember correctly your last day in the office will be 11/30). How would you like to handle this?
