Subject: Re: Another address

Thank you for reminding me: George and Greta Buttimer, 654 North Street, Sunny Rock Farm, Walpole, MA 02081, farm store's telephone number for directions, hours, etc. is 508/668-3448. From Boston take Rt. 90, Massachusetts Turnpike to Rt. 128 South. Take exit 16W (Rt. 109, Westwood) and travel through the small town of Westwood, continue west on Rt. 109 a total of four to five miles (from the time you get off Rt. 128) until you see the Bubbling Brook Restaurant on the left. The Bubbling Brook is a white cape cod style house with green trim and a large sign out front that reads Bubbling Brook. It is closed in the winter but still very visible. Turn left at the Bubbling Brook, this is North Street in Walpole. Continue south on North Street about 3/4 mile until the road forks. Turn Right, this is the continuation of North Street. The street gets very narrow and twisting and travels through an area of large, new homes. In about 1/2 mile the trees will stop and you will see a large barn on the left in the distance. Slow down. There will be a burnt orange color house on the right, the next building on the right is the farm store. It is very obvious what it is (large sign, parking lot in front.) Welcome!!

PMSubject: Another addressWhen you get a chance, remember that I'd like the address of your parents' farm. If I don't get there, at least my daughter might!
