Subject:	Re: Exiting windows and logging out.

I always exit WordPerfect (mentioned in an earlier memo) but I have had problems on occasion when I try to exit windows. In fact, I had the problem yesterday and mentioned it to Eileen. Sometimes I get only a flashing line when I try to exit and it doesn't go any further and tell me I'm logged out, etc. To:Allcc: From:Valerie Trzaska-Sails/ARRB   Date:11/30/95 10:30:47 AMSubject:Exiting windows and logging out.REMINDER When exiting windows please wait for the following message before turning your computer off.- You are now logged out of the system, you may login again or Please turn the machine and monitor off at this time.- Thank you for your
