Subject:	Re: Outside Documents Database
Body:	I am not clear on what you mean so lets hook up when you return so we can chat face to face.To:Chet Rhodes/ARRBcc:David Marwell/ARRB From:Jeremy Gunn/ARRB Date:12/02/95 08:46:53 PMSubject:Outside Documents DatabaseCould you put a prefix before the LBJL and JFKL databases that indicates the origin of the files. (E.g., LBJL or JFKL). Otherwise, it is not always clear where the databases are from. I have been working on these databases and it is often confusing.Thanks.
