Subject: Re: Holiday party

I called Delaney (I have her current # -- it is (202) 296-8982). Unfortunately, she can't make it because she has an exam at 2:00 on Tuesday.

I left a message for Dan to call me back this morning (I have to go out for about an hour around 10:00 so I'll ask Christina to forward the call to one of you guys if he calls back). The number I have for Delaney is not in service so I don't know how to reach her. Does anyone know where she is? Dennis ran into Frank yesterday at DOJ and I believe he invited him--although it didn't look like he was going to be able to make it.

Have we RSVP's in? If not, could you get word to them soon? Thanks.
