Subject: Re: Veciana testimony
Yes--I confirm.

PMSubject: Veciana testimony
The Immunized Executive Session Testimony of Veciana (which we have on-site) is dated 4/26/78 and appears to be a continuation of testimony begun the previous day. The previous day's testimony (4/25/78, which we do not presently have on-site, but should have shortly) is not included in the Immunized Executive Session record series but is instead contained in the Numbered Files (Agency File Number 014678, Record Number 180-10116-10202), where it is referred to the CIA. I presume -- and ask you to confirm -- that we should ask the CIA to look at both days of testimony at once -- despite their disconnected physical location within the JFK Collection.
