Subject: Re: My Sprague Comm. Testimony

Mr. Elvin:I suggest you write to the JFK Liaison at the National Archives and Records Administration.JFK LiaisonNational Archives and Records AdministrationWashington, DC 20408To:Eileen_Sullivan @ jfk-arrb.gov @ Internetcc:Elvin @ aol.com @ Internet @ WORLDCOM From:Eileen_Sullivan @ jfk-arrb.gov @ Internetcc:Elvin @ aol.com @ Internet @ WORLDCOM Date:12/29/95 06:18:59 PM CSTSubject:My Sprague Comm. Testimony I read your post on alt.jfk.conspiracy about information being releasedby ARRB. I assume you are with ARRB. I gave information to the Sprague Comm.in the '70's through Rep. Hamilton Fish. This information seems to haveinfluenced the committee in the conclusion they reached. I thought that wouldbe the end of my involvement, but apparently not. I am afraid that myinformation leaked before ARRB, and I am wondering if it has been released byARRB. I don't think I care anymore if it has, in fact, some publicity may bejust the protection I need. Can you inform me what the status of my testimony is regarding what theoutcome was of the information I gave, and whether it has been released? Anyother suggestions you may have would be appreciated. I am seeking dialogueabout this with you or others, as it is obvious that the powers that be areunited in their insistence that Oswald was responsible I risked my lifebecause the most popular President in history was killed, and I knewsomething. I cannot accept my country's lying about the tragedy to saveface. I cannot accept that Intelligence agent Oswald is being scapegoated. I have written to Rep. Fish (while he was in office), but received noreply, apparently due to his poor health.
