Subject: Re: DOJ Library

Actually, the library was a bastion of civility and order. There were, of course, pocket parts yet remaining to be replaced, however, I was quite pleased with the caliber of service I received. As always, I reshelfed those items of which I had availed myself. I was very impressed with their post-furlough/blizzard performance. I shall be returning there this afternoon, my delicate constitution permitting.

I forgot to ask you yesterday -- did you happen to see the librarians at DOJ yesterday? I was wondering whether they were on a rampage after the library was trashed during the furlough.
