Subject: Re: January 5th board meeting

thanks for getting back to me so quickly -- sorry it took me so long to respond. Are the issues in these docs. similar to those the last time? (HSCA staff so. sec. #'s.) Anything of note in the WC docs.? Thanks!

I was responsible for 12 documents the Board processed at its 1/5/96 meeting. Each of the 12 contained privacy-related redactions which the Board opened in full. Seven were HSCA documents. Five were Warren Commission documents. Hope that helps. If you need more, let me know.

It's that time again for an advisory. When you get a chance, could you fill me in on the nature of the documents voted on during the Jan. 5 Board meeting? (if your area of docs. were in fact voted on). As always, many thanks for all of your help.
