Subject: Re: Audit Follow-up

Correspondence from OMB states that we should contact Cindy Salavantis or Ginger Moench with any questions about compliance. As you know, I have already made an initial contact with Cindy Salavantis, so she might be the best person to call. To: David Marwell/ARRB, Laura Denk/ARRBcc: From: Jeremy Gunn/ARRB Date: 01/25/96 07:36:45 AM Subject: Audit Follow-up Pursuant to our discussions yesterday, I will call OMB and say to them that we have a question about whether the IG Act and FMFIA actually apply to us. I will stress that we are independent, not executive. OMB presumably has had experience with this issue before, and may be able to point us to other cases where similarly situated agencies have had to (or have not had to) comply with the acts. If OMB cannot provide any additional and specific guidance, I will then write to them, as we discussed, and say that we will be making arrangements for another type of audit. I think it is not advisable to put anything in writing to them before we give them a chance to provide additional guidance. I would appreciate your suggestions about whom I should call (e.g. Wendy Zenker, Ginger Moench, Cindy Salavantis, Norwood Jackson, or OMB General Counsel).
