Subject: Re: Additional review procedures

I will take a look at a way to do that.To:Chet Rhodes/ARRBcc: From:Mary McAuliffe/ARRB Date:01/23/96 01:39:49 PMSubject:Additional review proceduresIs there any way of tracking a record that is brought before the Board but not voted on (that is, set aside)? Noelle is making a distinction between documents that are tabled and those that specifically have not been voted on, but we have no way at present to track the latter. As of now, they simply become unassigned documents, without a history, when in fact

Body: their history is important.
