**Subject:** Re: Skullduggery  
We need to get a medically acceptable model ASAP.To: Jeremy Gunn/ARRBcc: Douglas Horne/ARRB  
From: Dennis Quinn/ARRB Date: 02/02/96 04:25:36 PMSubject: SkullduggeryGW Med School doesn't carry  
them. I left a message at G-Town, they haven't called back yet (I tried several times, but kept on getting voice-  
mail).Arlington Hobby does carry the Lindburgh Skull and Brain model kit for \$29.70. This is similar to the ones  
in Doug's collection. Of course they have to be assembled. Please advise.
