**Subject:** Re: Court Recorder for Boswell Deposition

I guess the point is that if we do that he may not be available, since it will probably be a week or so before we see the transcript, and Boswell is scheduled for the 26th, just about a week and a half from now. (This was his point for me...that if we wait until later to ask, he may not be available.)To: Douglas Horne/ARRBcc: Jeremy Gunn/ARRB, Tracy Shycoff/ARRBFrom: David Marwell/ARRBDate: 02/13/96 06:15:20 PMSubject: Re: Court Recorder for Boswell DepositionWe may want to review the transcript before we commit ourselves to Haines again. Perhaps we should "reserve" him and then make a final judgment based on the quality of his work on the Humes transcript.To: Jeremy Gunn/ARRBcc: David Marwell/ARRB, Tracy Shycoff/ARRB From: Douglas Horne/ARRB Date: 02/13/96 05:57:24 PMSubject: Court Recorder for Boswell DepositionMr. Haines says that if we want him on the 26th for Boswell, we should call his company Wednesday and ask for him by name! I strongly recommend we do this, since he now knows the drill, and is familiar with the exhibits and subject matter. He says "time is of the essence" in this matter, so that he doesn't get scheduled for some other job.
