**Subject:** Re: Cancellation of tomorrow's SSCI meeting and rescheduling of same  
I am not available at lunch time on both Thursday and Friday. I have an early p.m. appointment on Wednesday and an early departure (circa 5:00) on Thursday. Otherwise, schedule-away!

**Subject:** Cancellation of tomorrow's SSCI meeting and rescheduling of same  
Jim Wolf of the SSCI has called to cancel tomorrow's meeting. In an attempt to reschedule, we're looking at next week after the Board leaves town. David has a 10:00 AM on Wed. and a lunch committment on Thursday. Steve Tilley has a general preference, I think, for AM rather than PM. With all this in mind, are there any days/times which would not be convenient for you next Wed. through Friday? Many thanks.  
P.S. -- I won't rush to do the little memo we talked about yesterday (re: agenda for SSCI meeting) given the delay of the meeting, but I'll still do one in plenty of time for the second part of next week.
