" I told Ms. Guzman that either I or Dave would be the appropriate staff to speak with, so you should be spared further voice-mails on this topic." ...Cool... :-)

Subject: Miami PD tapesFYI. I spoke with Assistant Chief Brooks' office this morning. They just wanted us to know that, while Chief Brooks has no personal knowledge or recollection of any such tapes, they are going to check. Ms. Guzman (who left the message on your voice-mail yesterday) or Det. Scott Nugent (who Dave has been in touch with previously on other matters) will get back to us early next week after they've done a preliminary search. I told Ms. Guzman that either I or Dave would be the appropriate staff to speak with, so you should be spared further voice-mails on this topic.
