**Subject:** Re: Federal Register language  
The Federal Register text has been amended to incorporate your suggestion.  
To: Jeremy Gunn/ARRBcc: Mary McAuliffe/ARRB  
From: Mary McAuliffe/ARRB Date: 04/02/96 09:44:43 AM  
Subject: Federal Register language  
Under "Additional Releases," why not use language similar to that used elsewhere in the notice? That is, list each grouping of documents under its own header (CIA Documents: Open in Full, and FBI Documents: Open in Full).  
The important point is that each batch of documents be clearly identified, to give full force to the number of CIA and FBI documents that are indeed being released in full.
