**Subject:** Re: Patrick Dean polygraph - Jeremy's response to my e-mail  
Joe thank you for your message. According to the Dallas Municipal Archives, which now houses the Dallas P.D. assassination records, the P.D. has nothing else. However, if there is an upcoming Dallas trip it is worth checking with the Dallas P.D. on this specific point.

I believe I copied you on Jeremy's e-mail to me earlier this week, and my response, re: Patrick Dean's polygraph. Subsequently, Jeremy orally suggested that the Dallas Project might want to contact Dallas PD to make sure they haven't come up with the polygraph results, even though they told the HSCA that it had presumably been destroyed. Jeremy said to run it by you as it was your call. You may or may not wish to speak with him about it.
