If there is no charge, request it. Ask Doug what he knows about it.

A short time ago I informed you that I had found a listing for a book titled "Late breaking news on Clay Shaw's United Kingdom contacts" which was published in 1992 by the JFK Assassination Information Center. I checked with the Library of Congress about an interlibrary loan and the only library that has it is the Dallas Public Library. Do you wish me to make a call and see if we can secure it ?
