Subject: Re: Search For Conzelman & Watriss Of The HSCA Firearms Panel
Joe and Tammi: please prepare some questions as a first step towards your interviewing these two regarding their work with HSCA. Principal thrust of questions should be: location of records; their knowledge of any testing; their awareness of the fiber in 567; their suggestions as to others with whom we should speak; disparities between panel report and printed final version, etc. Tammi: make sure you and Doug send the letter to Guinn. Thanks, Dave. That's great! I presume Jeremy, Tom or David will be making the follow-up call to these two. If it's desired that I do so, I'll need some additional briefing on what should be asked. Either way, good job finding them.
