                          Date:04/11/96 03:24:43 PMSubject:timdo either of you have a leave slip from Tim for last week or today? I
                          haven't received either one (and reminded him yesterday that I needed it) so I thought maybe it/they were on
                          one of your desks.
