All is well, please ignore any comments made on a late monday. Noelle plans to mail the new documents when she comes in this morning. I had not updated the AUTOVOTE group and that caused the problem. she will also look at the Henry problem.Thanks and please page me if any problems arise.I would like to assist in the harvesting process if we are going to present any of those documents. Noelle thought that we should just finish up boxes 1-7 in the discussion on Wednesday and that would mean we do not need to harvest. Let me know and I can come down.
