Subject: Re: Dennis's party

The interview may be only 10:00 to 11:30, but I put 12:00 in the memo to be on the safe side. One possibility is that the pre-Board meeting could be at 8:30 or 9:00, but that would be up to Jeremy. I agree that lunchtime is the best time for the party. Also, my appointment doesn't have any bearing on any of this. I will be leaving at 2:30. I will plan to participate in whatever happens on Friday prior to that time. If the pre-Board meeting has to be late in the day, I will just have to miss it.

Will this conflict at all with the 10:00-12:00 interview session? We could hold the party later, but thought we'd have a better chance of including everyone at the noon hour (you have a doctor's appt. that afternoon, I know). Also, it looks like the pre-Board meeting will have to be that afternoon, so we'd want the party finished by that time.
