Body: I just tried to print yours the way I think I did Joan's and it did not work. I will continue to look into it, but Chet will be here today if I can't figure it out.To:Chet Rhodes/ARRB, Noelle Gray/ARRBcc:David Marwell/ARRB From:Kevin Tiernan/ARRB   Date:05/08/96 04:39:51 PMSubject:1241027310136This document has 71 postponement details. When I saved it, I got a message saying that there were too many characters in the "postponement summary" (i think) field. And that the stuff would be saved but it would not show up on the RIF. Isnt this a problem that Joan had? Do you remember how you solved it?
