Subject: Re: USSS Inventory
Can we arrange for the team to bring pre-printed forms for creating the inventory with them?To:Eric Scheinkopf/ARRB, David Marwell/ARRB, Christopher Barger/ARRBcc:From:Joan Zimmerman/ARRB Date:05/16/96 10:53:52 AMSubject:USSS InventoryI just spoke with Steve. He said he will sign out the Official Case file, and it will be downstairs in the main research area on Monday morning. It is registered in Eric's name. The students should register (along with Eric) as a research team so any member can view the materials if the others are not there. Steve has also reserved a table with 4 stations in the main research area. The students should sign up for their research cards before going into the main research area. Steve reminds us that the students will not be able to bring any personal items, papers, pens, etc. into the research area. All the paper and pencils will be provided for them. All personal items will need to be stored in a locker.I have told Steve that Eric will bring two students with him on Monday morning. If there is any change in this plan, please let me know.
