Subject: Re: Transcript of Joseph E. Hagan Interview

Body: Doug, unfortunately we are short staffed in the admin department and therefore all of us are extremely busy. I suggest that you give the project to Noelle (I believe that the Fed Reg notice runs like clockwork these days and may not be much of a time consumer for her). If Noelle has trouble getting to the transcript she knows to come to me and see if I can help her in any way.If I don't hear from Noelle on this, I'll assume that all is ok.To:Tracy Shycoff/ARRBcc: From:Douglas Horne/ARRB   Date:05/18/96 06:43:24 PMSubject:Transcript of Joseph E. Hagan InterviewOn Friday, May 17, 1996 several of us (David, Tom, Jeremy, Tim and I) interviewed Mr. Joseph E. Hagan, Gawler's Operations Manager in 1963, who supervised the 3 Gawler's employees who performed the embalming of President Kennedy. Tim Wray promised Gawler's President Joe Hagan a transcript of our audiotaped interview with him (of May 17, 1996). I think Noelle is really going to be busy with Federal Register for awhile, so I wanted to ask you if there is anyone else in your department who could do what normally might be perceived as an R & A task? I don't know what the feasability of this is, only you do. Hope this doesn't complicate things too much.
