Subject: Vince Madonia
Dave, I was able to obtain an address for "LT (jg) V. Madonia" (who is on record as having developed color autopsy film and color prints) from the Navy locator section in the Pentagon: Effective 870506, they had this information in their data base: "Address of Record: LCDR Vincent Madonia 17907 New Riders Way Anderson, CA 96007-9253" CAN YOU: (1) Obtain his USN Service Record from St. Louis (He obviously retired as a Lieutenant Commander, an O-4); (2) Find out if he is still alive; (3) Get his phone number? Thanks.
