Subject: Re: Custer

Body: I discussed this with David and I agree. When Doug originally called him, it was to set up a telephone interview -- which I still think is the appropriate way to go. I think I lost sight of the fact that, in ratcheting up the pressure on Custer with a new letter, Doug also upped the ante by demanding a deposition. That's probably not only unnecessary, but also unwise before we have some sense of what Custer has to say. I've taken back the letter and will retool it to say we want to do a telephone interview with him. . .
