Subject: Letters
In the future it would be very helpful if you let me know what field a letter pertains to other than just the 7.1.???. I need to know because I need to designate it to many times to one of Noelle's files such as HSCA, etc. I was able to figure it out this time because I thought it would be HSCA because a copy went to Freeman and the other was military because copies went to Wray and Barger. It would be helpful to make sure I'm steering onto the right track. Thanks.
