**Subject:** Re: JFK assassination records

Dear Mr. Livingstone: Thank you for your e-mail note of June 9, 1996. The Review Board is working hard to ensure that it accomplishes its mandate in an effective and efficient manner. It is not the Board's responsibility under the law to answer the remaining questions concerning the assassination and its aftermath. It is, however, our duty to do our best to find all of the remaining assassination records and secure them at the National Archives so that the public has full access to them. Thank you again for writing, and for your support of our efforts. Sincerely, Eileen A. Sullivan

Subject: JFK assassination records  
Dear Ms. Sullivan, Please fight for the release of ALL documents and evidence pertaining to the Kennedy assassination. It has been over thirty-two years since that dreadful, deceitful day and the time has come for the public to know the whole truth. Stop at nothing to get ALL documents released. We may not get another chance. God bless, Barry Livingstone
